The preparations for the opening of the golf course and clubhouse are well under way. I am sure that everyone is excited about getting out on the course for their first game and with some help from the weatherman we will be golfing before long. As the last of the snow is melting, all indications show that we came through the winter fairly well. The tentative date for opening is Friday, April 25th at 9:00 am. Mike and his crew have done a great job preparing for the 2008 season.

In the clubhouse, our Dining Room Manager Jordan and Chef Frank have been busy setting up the kitchen and lounge. We have been working on new menu ideas for the season as well as hiring new staff for the clubhouse. I think members will be pleased with some of the changes and additions to this year's menu. We are also excited to be offering Dining Rewards on all meals purchased in the Clubhouse. The rewards program does not apply to vending and alcohol purchases. Ask your server for details.

Our Office Manager, Kelly, will be happy to answer questions you may have concerning golf and club memberships, annual cart lease and special services. We offer a payment plan and accept Visa & Mastercard. The Spring office hours will be 9-3 Monday-Friday and Sat 10-1. Membership cards will be available in the Clubhouse after May 14th. Please ask your server to check for you after this date.

The Pro Shop will open with plenty of new merchandise this year! Tom has stocked quality products at a good price. Our club members will receive a benefit of 10% off select regular price merchandise. Please present your membership card for this discount. So stop by and say hello to Tom and check out our new apparel and golf equipment.

I hope you had a healthy and safe winter. The staff and myself look forward to welcoming everyone and having a great 2008 season.

Sincerely,

Laura Kempfert

General Manager.
